

Kirkmere Principal Letter

July 15, 2020

Thank you so much for visiting the Kirkmere Elementary School webpage and taking the time to read about our wonderful school. I want to formally introduce myself to you as the new principal of Kirkmere Elementary. I am excited to begin the work that is necessary to ensure that every scholar enjoys learning, feels safe and reaches their maximum potential. I have been in education for 20 years and am thrilled to have the honor to serve as the principal of a school with such a rich history and prideful place in the community. I look forward to leading Kirkmere to the top of the district.

The staff at Kirkmere is dedicated, hardworking and ready to serve the scholars and families in the community. I know the 2019-2020 school year ended with lots of challenges and we are still adjusting and making accommodations, but please know we are all working to ensure that all scholars and staff remain safe while engaging in meaningful learning experiences. I look forward to working together and welcoming scholars back to the building when it is safe.

Our first day of school will be August 31st and MUCH more information will be coming soon on what that will look like for each scholar. As of now, we will begin the year with remote learning. More details will be forthcoming, however in the meantime, please check the districts homepage for updates.

If you have any immediate questions, please feel free to call the school at **330-744-7725** or email me at roshay.huff@youngstown.k12.oh.us.

Sincerely,
Mrs. Roshay Huff
"One Team, One Dream"
